# ABOUT US

Capstone Contracting Company is a Saudi-based infrastructure contractor delivering reliable and high-quality solutions for residential, commercial, and industrial developments across the Kingdom of Saudi Arabia.

With strong technical expertise, certified manpower, and modern equipment, Capstone executes projects with a focus on safety, quality, authority compliance, and timely delivery — supporting the Kingdom's growing infrastructure and Vision 2030 goals.

## Our Vision

To be a trusted infrastructure solutions provider supporting Saudi Arabia's Vision 2030 through safe, efficient, and high-performance project delivery.

## Our Mission

To deliver precise, safe, and efficient infrastructure and construction solutions through disciplined execution, quality control, and client-focused performance.

# OUR CORE VALUES

## INTEGRITY

We uphold the highest standards of honesty and transparency in all our interactions, building trust and reliability across every project we deliver.

## INNOVATION

We embrace creative thinking and advanced technologies to deliver innovative solutions that address the evolving needs of our clients.

## SUSTAINABILITY

We implement environmentally responsible practices and sustainable solutions that reduce impact and support a greener future.

## QUALITY

We are committed to excellence through meticulous attention to detail, ensuring superior workmanship and consistent results in every phase of our work.

## SAFETY

Safety is embedded in our culture. We are dedicated to protecting our people, partners, and the communities we serve through strict safety practices.

**Resources &  
Capability**

# Turnkey Infrastructure

Capstone Contracting provides complete turnkey infrastructure solutions, taking full responsibility from initial planning and execution to final testing, approvals, and project handover.

Our turnkey approach minimizes interface risks, improves coordination, and ensures projects are delivered on time, within budget, and in full compliance with authority and consultant requirements. Clients benefit from a single point of accountability and streamlined project execution.

# H.V Underground Cable Project

Capstone specializes in the execution of Medium Voltage (MV) and 132kV electrical infrastructure works across residential, commercial, and industrial developments.

Our scope includes ducting, trenching, cable pulling, jointing, and termination, all performed by certified and manufacturer-approved teams.

We ensure strict compliance with SEC standards, approved drawings, and safety regulations, delivering reliable and long-lasting power infrastructure.

# Water Project

We deliver complete water supply, sewer, and drainage network solutions in accordance with approved specifications and authority standards. Our services cover excavation, pipe laying, connections, testing, and commissioning, ensuring efficient flow, durability, and regulatory compliance. Capstone ensures seamless integration with existing networks and smooth authority inspections and approvals.

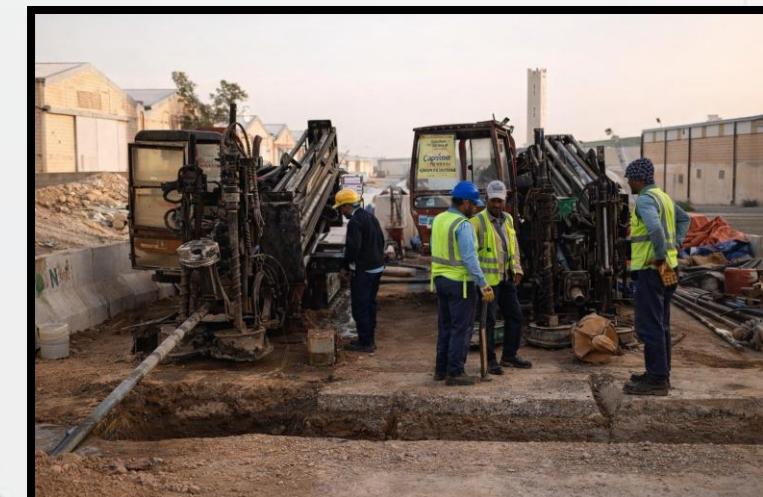

# Horizontal Directional Drilling

Capstone provides specialized Horizontal Directional Drilling (HDD) services for road crossings and sensitive areas where open excavation is not feasible.

Our HDD solutions allow the installation of utilities such as electrical cables, water lines, and sewer pipelines without surface disruption.

This method ensures safety, precision, minimal environmental impact, and uninterrupted traffic flow.

# Asphalt Project

Capstone executes asphalt cutting and reinstatement works in strict accordance with municipality and authority requirements.

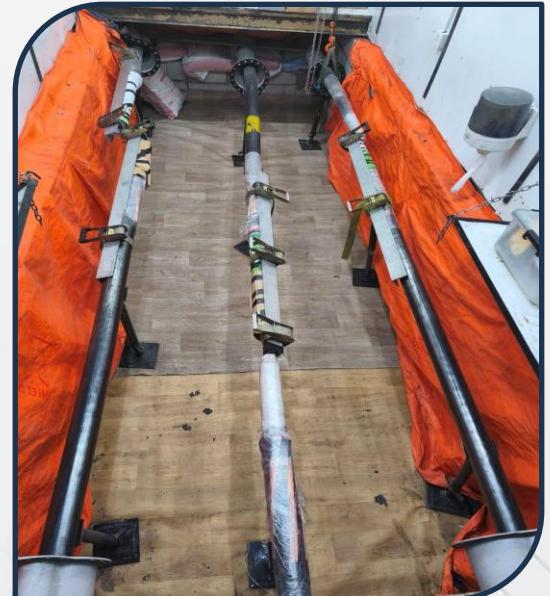

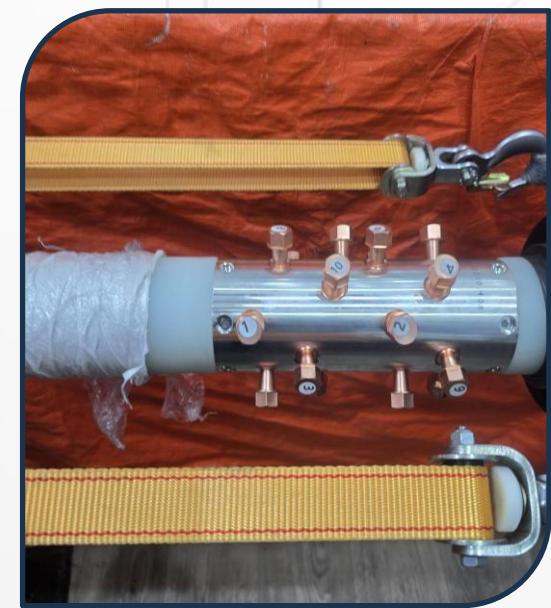

We ensure proper base preparation, asphalt laying, compaction, and final finishing to restore surfaces to approved standards.

Our reinstatement works ensure safety, durability, and long-term performance of roads and access areas.

# Joint Termination Project

Capstone Contracting carried out certified **MV & 132kV cable jointing and termination works** in full compliance with authority and manufacturer-approved standards. All activities were executed by qualified technicians, ensuring **safe energization, reliable connections, and long-term performance** of the electrical network.

# Project Management & Compliance

We apply structured project management practices to control schedule, cost, quality, and safety throughout the project lifecycle. Capstone maintains strict compliance with HSE, QA/QC, consultant guidelines, and client specifications. Our experienced management team ensures smooth coordination, progress monitoring, and timely delivery.

# Resources & Capability

Capstone is supported by qualified engineers, certified technicians, and experienced site teams, along with modern machinery and equipment. Our strong resource base enables us to handle complex infrastructure projects across Saudi Arabia while maintaining high standards of safety, quality, and performance.

## CHAIRMAN'S MESSAGE

Dear Valued Stakeholders, As the Chairman of Capstone Contracting, it is with great pride and enthusiasm that I introduce our company to you. Since our inception, we have been committed to building a legacy of excellence, integrity, and innovation in the contracting industry. Our journey has been marked by a steadfast commitment to quality and a relentless pursuit of customer satisfaction. At Capstone Contracting we are deeply aligned with the vision of the Kingdom of Saudi Arabia, especially in contributing to the transformative goals of Vision 2030.

We aspire to play a pivotal role in driving sustainable development and infrastructure growth, thereby enhancing the economy and enriching the communities we serve. Our success is built on the dedication of our talented team, the trust of our clients, and the strength of our strategic partnerships.

Looking to the future, we are excited to further advance our mission and explore new horizons of growth and achievement. Together, with the support of all our stakeholders, we are confident in our ability to continue delivering exceptional projects and contributing positively to Saudi Arabia's landscape. Thank you for your trust and support. We look forward to achieving great milestones together.

Warm regards,  
Dr. Sayed Al Taher  
Capstone Contracting
